### Little Rock Regional Chamber Luncheon-A Big Success

The Little Rock Regional Chamber of Commerce recently welcomed Paul's interactive multi-media presentation titled, *It's Your Business, It's Your Name* as part of the first Small Business Resource Council Network Luncheon of 2005.

Paul Interacts with his Audience

According to Chamber Membership Director Ashley James, the nearly 150 business professionals who turned out for the thirty-minute program broke the attendance record for any previous luncheon event. "We are grateful Paul contributed the time and effort needed to make the program such a wonderful success," James explained. "The message he presented included valuable tips participants can utilize in their business that have a direct effect on the bottom-line."

Wayne Woods, President of Cranford Johnson Robinson Woods and Chairman of Communications for the Chamber's Executive Committee, served as emcee of the event. Vital Communications was the featured sponsor for the luncheon. Paul thoroughly enjoyed the opportunity of working with the Little Rock Regional Chamber of Commerce and hopes to have another opportunity to do so in the near future.

### Fargo Moorhead Chamber-Makes It Happen

Fargo Moorhead Chamber Staff

The Fargo Moorhead Chamber of Commerce opened the doors of the Century 10 Movie Theatre as it welcomed numerous business professionals to a special training event featuring two three-hour enthusiastic presentations from Paul. As the popcorn, candy and Coca-Cola were being served, participants were busy interacting with Paul during his first multi-media presentation of the day titled, *Knocking Them Dead With Customer Service*. Successful communication skills, teamwork tips and strong work habits were only a few of the focal points during the exciting program.

As the day continued, a second presentation titled, *The Achievement Course* was introduced to participants eager to sharpen their skill sets focusing on networking, time-management, leadership and pure motivation. Using various video clips and cartoons during his program, Paul introduced and reinforced realistic techniques that can be implemented in improving all areas of life. "We enjoyed having the opportunity to work with Paul and Vital Communications. His presentations were extremely effective for those in attendance and he was so easy to work with," Nicole Bergeron, Chamber Workforce Development Coordinator stated.

The Fargo Moorhead Chamber of Commerce made the special training event happen with great class and ease. Paul was thrilled with his experience and hopes to have the wonderful opportunity of returning to the Fargo Moorhead metro area soon.

#### Timeless Words of Wisdom

We in this country, in this generation, are - by destiny rather than choice - the watchmen on the walls of world freedom.

We ask, therefore, that we may be worthy of our strength with wisdom and restraint, and that we may achieve in our time and for all time the ancient vision of "peace on earth, good will toward men."

That must always be our goal, and the righteousness of our cause must always underlie our strength. For as was written long ago: except the Lord keep the city the watchman waketh but in vain.

#### Ever Vigilant

As we enjoy all that America has to offer, let us be ever mindful of all who have given their lives in service to our country.

May we remember daily those whose chosen profession is to stand guard for freedom; the men and women of our Armed Forces.

Their sacrifice ensures our protection. Their vigilance ensures our liberty. Thank you  
to all who serve!
